Challenge Question Lab 5

The image shows a desktop environment with a Linux VM window. The background is a vibrant, abstract image with red and orange hues, resembling a sunset or a fiery sky. In the center, there is a dark, silhouetted tree or structure. The desktop has a dock with various application icons, including a terminal, a file manager, and a web browser. The terminal window is open, showing the user's commands and the system's responses.
